Washington, DC 20590

Subject: Manufacturer Information Pursuant to 49 CFR Part 566

Dear Administrator:

The following information is provided pursuant to Part 566:

- a) Corporate name of the manufacturer:

Agility Fuel Systems, Inc.

- b) Address:

5409 Maryland Way, Suite 215
Brentwood, TN 37027

PH; 1-951-AGILITY

State of Incorporation:

Delaware

- c) Description of Motor Vehicles and Motor Vehicle Equipment Manufactured:

Agility Fuel Systems manufactures CNG and LNG Fuel Systems for motor vehicles. These fuel systems include containers designed to store CNG and LNG fuels on-board the vehicles for use as motor fuel. While CNG and LNG fuel systems may be suitable for use in a wide variety of passenger cars, MPVs, trucks and buses (including schoolbuses), the applications of Agility systems are primarily to heavy truck products having GVWRs greater than 10,000 pounds. The systems may be sold as original equipment, aftermarket equipment or replacement equipment. Agility Fuel Systems may provide services and equipment to its customers in various forms, including as an intermediate vehicle manufacturer, a motor vehicle equipment manufacturer, a vehicle alterer, a vehicle repair business and potentially -- but less likely -- a final stage vehicle manufacturer.

We understand that the above information satisfies our obligation under Part 566. If you would like additional information, please contact me at the one of the addresses or numbers shown above.

Yours very truly,

A large, stylized handwritten signature in black ink, appearing to read "Todd Sloan".

Todd Sloan
Vice President – Engineering
